POWERED BY CLAUDE AI

Your money, finally intelligent.

Artha-IQ is a personal financial intelligence platform built for Indian salaried professionals. It diagnoses your finances, reveals hidden leaks, optimises taxes, and builds a wealth plan — all in one place.

AI-powered financial modules

GCC Employees | BFSI Professionals | Senior Management | NRIs | Salaried India

WHAT ARTHA-IQ DOES

Financial Health Score

A real-time score that benchmarks your savings rate, debt, liquidity, insurance cover, and investment health against your income.

FREE

Tax Optimizer

Compares Old vs. New regime, maps every deduction you're eligible for, and tells you exactly how much tax you're leaving on the table.

₹50 / use · 2 free

Goals Planner

Inflation-adjusted SIP calculator for home, education, retirement, and custom goals — with real monthly numbers, not generic advice.

₹150 / use

Money Leaks

Identifies where your salary disappears — subscriptions, lifestyle creep, excessive EMIs — and quantifies the 10-year opportunity cost.

₹150 / use

Cost of Living

City-wise breakdown of your actual living expenses versus benchmarks, with relocation cost impact for 20+ Indian metros.

₹200 / use

GOT Advisor

The Graph of Thoughts AI engine. Delivers a multi-layered financial strategy — investments, debt, tax, and estate — tailored to your exact profile.

₹250 / use

Salary & Skills Grow

Benchmarks your CTC against your role and industry, recommends

Dashboard

Live financial snapshot — income, expenses, savings rate, EMI burden,

Smart Profile

One-time guided setup captures your full financial picture — income,

skills to close salary gaps, and models your 5-year earning trajectory.

₹400 / use

insurance cover, and net worth at a glance.

FREE

loans, goals, family, city — to personalise every module output.

WHO IT'S BUILT FOR

GCC & MNC Employees
High CTC, low financial clarity — Artha-IQ translates complex comp structures into a real wealth plan.

BFSI & Senior Management
Financially aware but time-poor — get an expert-level analysis in under 5 minutes.

NRIs & Returning Professionals
Navigating dual tax regimes, remittances, and India reintegration — Artha-IQ covers it all.

Start free in 60 seconds.

No app download needed. OTP login, no passwords. Works on every device.
